

## Password Reset Overview

To reset your password

### Step 1:

Please return to the login page –  
And Enter:

Username: (your email address)

Password: If you are not sure –  
enter anything.

Click: “Log On”

Now: Click on “Forgot your Password” again and you will see the screen below

### Step 2:

Enter your email address and the captcha code.

### Step 3:

Watch for an email with a password reset link. Type in your username, email address, new password and another captchacode.

You are finished, your password is reset and you can log  
into the website and begin ordering.
